

Second Circular

6th Congress of the Spanish Proteomics Society

Dear Friends and Colleagues,

Happy New Year to everyone!!! The main aim of this second circular is to announce that the website of the congress is now fully operative (<http://seprot2016.uca.es/>), and that **registration and abstract submission are already open**. Your participation is crucial for the congress success so please submit your contributions as soon as possible. In the meantime, the website will be continuously updated to provide useful information to the participants.

See you in Cadiz!!

Best regards,

Ángel García, Ph. D
President of the Spanish Proteomics Society

Francisco J. Fernandez-Acero, Ph. D. President of the
Organizing Committee Seprot Cadiz 2016
